Abstract

Study This to describe related problem gambling that focuses on regulation offense load gambling based on regulation legislation in Indonesia and Accountability criminal for perpetrator distribute gambling through Electronic analysis decision number : 367/ Pid.Sus /2025/ PN . Mdn). The research method used namely type study legal normative , so the data used is secondary data , and do data analysis with qualitative . Based on results found that arrangement offense load gambling based on regulation legislation in Indonesia , namely load gambling has regulated in the Criminal Code and Law Law No. 7 of 1974 concerning Orderliness Gambling , if offense gambling normal . As well as Article 27 paragraph (2) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronics . Accountability criminal for perpetrator distribute gambling through Electronic based on analysis decision number : 367/ Pid.Sus /2025/PN. Mdn) namely accountability criminal has fulfil elements , which are the perpetrators proven without right distribute , transmit and or make can accessible information electronics and or document electronics that have load gambling so that element the has fulfilled and has been dropped punishment criminal in accordance Article 27 paragraph (2) in conjunction with Article 45 paragraph (3) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronic has fulfilled , and stated has proven in a way valid and convincing do act criminal gambling .

I. Introduction

The law in Indonesia continues developing , still often happen crimes that are not realized its existence , which has the potential cause impact negative . Crime in public become challenge social that can influence individuals , communities , and countries. One of them form common crimes found is gambling . Law Republic of Indonesia Number 7 of 1974 concerning " Organization of Gambling explain that basically , gambling contradictory with religious values , morality , and Pancasila morals. In addition , gambling is also considered dangerous for life society , nation , and state (Pricillia Angelina, 2025) .

Development technology information with the existence of the internet, gives rise to various crime new special in gambling . Online gaming via the internet (internet gambling) is increasingly rampant happen in society , which game This Actually dimensional crime gambling (Pasaribu, 2022) . Progress technology information such as the emergence of the internet in cyberspace in the current era has make state borders No means again . The world becomes One unity without limits. As a result crimes organized crime (*organized crime*) which is carried out organizations crime (*criminal organizations*) becomes easy done in a way cross- border crimes . That Then develop become crime international (Satrya Alda, 2022) .

Crime Online gambling is categorized as cyber crime Because in do his crime online gambling using computers and the internet as a medium for do act criminal gambling said . Gambling is basically contradictory with religious norms , morality and Pancasila morals , as well as endanger for sustainability life society , nation and state. Gambling is violation to culture social issues in Indonesia (Isyatur Rodhiyah, Ifahda Pratama Hapsari, 2022) . Next with increasingly online progress modern technology gambling also participates develop become gambling online based . Therefore , it is needed existence education continuous law since early in society . Action criminal gambling is a action common criminal law done by many people, because from gambling people can get folded double riches from results gambling . Practice gambling from day to the day precisely the more Lots happening among public start from circles lower until circles on even gambling No look at age and carried out by adults even until children . Because very frequent gambling We meet in the circle society , in general gambling Lots done inside environment public with method stealth .

Behavior and habits a person who likes complain fate and fortune through game has happen throughout history civilization human , behavior like This happening all over layers and strata of society , from the rich to the poor, from gambling with risk small until risk something big (Purnawinata, 2021) . Crime gambling one of problem in very difficult society thus rapid has cause change activity life man in various field that is direct has influence birth forms action law new , and that government need support

development technology information through infrastructure law and its regulations utilization done removed , in matter This gambling rated bring impact bad especially to perpetrator gambling That himself and for those around him . Problems gambling Actually Already set basically in the Criminal Code in article 303 , the law This arrange about prohibition For do gambling in Indonesia.

Action criminal gambling Already enter to a very worrying stage among public or student especially online gambling through easy sites to be accessed on the internet. This is started from matches sport especially football added element betting . gambling can become inhibitor national development with material- spiritual aspects educate people to look for living with No appropriately and form " lazy " character (Isyatur Rodhiyah, Ifahda Pratama Hapsari, 2022) . Accountability Criminal Actors There is progress in aspects technology the has change behavior public in connection social namely interact with fellow , so that appear a values new , and so on . There is progress means on aspects This also makes it easier public in the process of exchange information with fast and easy (Istifarrah, 2020) .

Although provision For do countermeasures act criminal gambling for the perpetrator through law positive in effect as in the Criminal Code, Law Number 7 of 1974 concerning Orderliness Gambling , Law Number 1 of 2024 Concerning Change Secondly , under the Law Number 11 of 2008 Concerning Information and Transactions Electronics . However , crime gambling No precisely decrease rather the more increase , good gambling normal and also type gambling with use electronics . The fact is can We Look with Lots the matter that has been on trial as well as disconnected court . This is as depicted in the verdict Number : 367/ Pid.Sus /2025/PN. Mdn, which was carried out by the perpetrator named M. Rizal Nasution alias Rizal, the incident criminal occurred on Wednesday , September 25, 2024 around at 20.00, WIB , located in a house on Jalan Pengadilan Tengah Kel. Aur District . Medan Maimun City, Medan Province, North Sumatra. Where the act perpetrator with on purpose distribute gambling through information electronics .

Based on explanation on so that researcher interested do study with title about accountability criminal for perpetrator distribute load gambling in a way electronics , then this article only focus on the goal study that is arrangement offense load gambling based on regulation legislation in Indonesia and Accountability criminal for perpetrator distribute gambling through Electronic based on analysis decision number : 367/ Pid.Sus /2025/PN. Mdn).

2. Research Method

Research methods used type study legal normative that is research that focuses studies library research with refers to secondary data types like regulation legislation , decisions court , theory law , principle law , principles law and can in the form of results

work scientific by scholars law (doctrine) (Irwansyah, 2020) .

The approach used that is approach legislation which is type an exploratory approach all laws and regulations that have relatedness direct with problem the law that will studied . (Peter Mahmud Marzuki, 2014). In addition approach conceptual is also used in study Where is this type approach conceptual move on from the views and doctrines that gave birth definitions law , concepts laws and principles relevant laws with issue the law faced . (Irwansyah , 2020)

Type of data used is secondary data , where secondary data consists of from 3 (three) ingredients law , namely among others: materials primary law , in the form of material law that has strength binding , namely : Law Number 1 of 1946 concerning the Criminal Code (KUHP) , Law Number 1 of 1946 concerning the Criminal Code , Law Number 7 of 1974 concerning Orderliness Gambling and the Law Number 1 of 2024 Concerning Change Secondly , under the Law Number 11 of 2008 Concerning Information and Transactions Electronics . Legal materials secondary , in the form of ingredients covering books text , results research , journal article law , decision court and materials law tertiary in the form of the internet and websites.

Data collection techniques , namely search For look for ingredients relevant laws to issues faced . Collection material the law that uses is studies bibliography based on books , articles journal , dictionary law and other and studies field with take decision data court . Data analysis is analysis qualitative , where issue the law that is formulated in objective research , after collection material law that is carried out has relevant , then furthermore enter the stage process data with inventory material law Then synchronized in a way systematic with connect variables in accordance with hierarchy rule legislation that ultimately can interesting conclusion in answer objective study .

3. Results and Discussion

Arrangement Offense Load Gambling Based on Regulation Legislation in Indonesia

Regulation the law that has been arrange with clear about existence prohibition For play gambling in form whatever No reduce intention somebody For still do game gambling said . In a games , gambling no forbidden if done in a House with No seen from Street general by special people invited For do that . If invitation That obtained with a very easy way , for example with pay some money, then giving chance play gambling That including in prohibition . (Deva Yurita , Sukmareni , Yenny Fitri Z, 2023).

Information transaction electronic or abbreviated as ITE is the law that governs various crime or related crimes information transaction electronics and regulate

its users through use means or electronic media . Regulations related approved use make rules and make it easier usage as well as transaction electronics that are very popular at this time . (Ventry Faomassi zega , Hernita Aruan , Roni Dear A Purba , Psalms September Rumapea , 2021)

Gambling in dictionary big Indonesian language interpreted as game with use money as betting . Gambling is effort risk a sum of money or treasure in game based on by chance , with objective get a sum of money or more wealth big than amount of money or the original property . (Yusuf Hanafi Pasaribu , 2022) . According to Kartini Kartono, gambling is betting with intentionally risking One mark or something that is considered worth realize existence risk and hope specific to the event games , matches , competitions and events that are not or Not yet sure . Meanwhile , Adami Chazawi also gave understanding about gambling that is among others:

1. The game of possibility get profit depend on luck just . Gambling this , win or lost in the sense of getting profit or make a loss only depend on luck or in a way coincidence . For example , the game use tool dice .
2. Gambling games in possibility get profit or victory A little or Lots depends on skill or training the maker . For example , throwing a ball, a game with archery , playing card or dominoes. (Yusuf Hanafi Pasaribu , 2022) .

Arrangement about gambling No only there are general regulations only , but also already set on various regulation special . Here This writer will to describe a number of arrangement about offense load offense gambling normal and also in a way electronic in regulation legislation in Indonesia, including :

1. Constitution Number 1 of 1946 concerning the Criminal Code

Handling law criminal related gambling Still Not yet effective , especially along progress of the times, types gambling the more complex , so that apparatus enforcer law Still difficult For handle it . If reviewed from the Criminal Code, gambling mentioned as act the criminal offenses regulated in Article 303 of the Criminal Code are stated that gambling is form games that contain ambiguity , possibility Can to obtain benefits and sometimes also experience loss depends luck the players . Categorized act deliberate crime without There is element accident or criminal dolus because of the party playing gambling aware and consciously real know that they currently do game gambling . (Ventry Faomassi zega , Hernita Aruan , Roni Dear A Purba , Psalms September Rumapea , 2021)

A number of frequently used rules used enforcer law in ensnare the perpetrators gambling normal and also online gambling , even No seldom

enforcer law using jo article chapter related gambling . Among them arrangement gambling in the Criminal Code and Law Law No. 7 of 1974 concerning Orderliness Gambling ; Gambling is one of act disturbing crime society . Problems gambling This entered in act criminal politeness , and regulated in Article 303 of the Criminal Code and Article 303 bis of the Criminal Code in conjunction with Law No. 7 of 1974 concerning order gambling . In Article 1 of Law no. 7 of 1974 concerning Orderliness Gambling stated that all act criminal gambling as crime . Article 303 paragraph (1) of the Criminal Code ; (1) Threatened with criminal maximum imprisonment of two years or criminal the biggest fine six thousand rupiah. (Yusuf Hanafi Pasaribu , 2022).

Formulation in The provisions of the Criminal Code Article 303 are very clear mentioned If gambling That prohibited . Parties who aware offer and provide chance For public general use play gambling and make it source income , or follow share in company gambling Alone without care about he did gambling Because There is chance or there is conditions that must be met equipped with method whatever and if make gambling as source income .

Based on explanation Article 303 of the Criminal Code contains explanation offense load act criminal gambling that is :

- 1) There is an action , meaning each and every temperament in play a game Good matter the in a way direct applied by the individual , such as game dice , dominoes, ulo, and so on as well as like games held by other people but followed by them like game football .
- 2) Based on luck solely , the meaning victory gained solely Because factor good luck and always filled imagination want to to win game . In other words, just hang up fate on factor luck solely , or based on players experience gambling that has been normal .
- 3) There is an object at stake , an act gambling , of course there is goods bet that is object valuable such as money and property both organized by oneself Alone or made by the participating parties play gambling , the winning party will get the property at stake so that There is the beneficiary as well as there are also those who are harmed .
- 4) Action criminal , meaning is game gambling No get permission from government or the authorities , so that matter the illegal For done . However if a action has get permission official from government , things the is not become act criminal . If you do act criminal including action

oppose law and must charged sanctions . (Ventry Faomassi zega , Hernita Aruan , Roni Dear A Purba , Psalms September Rumapea , 2021)

2. Constitution Number 1 of 2024 Concerning Change Secondly , under the Law Number 11 of 2008 Concerning Information and Transactions Electronic

Arrangement about accountability criminal for perpetrator online gambling regulated in a way firm in Constitution Number 1 of 2024 concerning Information and Transactions Electronics . Article 27 Paragraph 2 of the ITE Law becomes base law the main thing that prohibits all form distribution , transmission , or provision access to information charged electronics gambling . Terms This aiming For limit distribution activities that are considered damage morality community and potential cause loss social and also economy . Online gambling, which often uses social media , websites, or other digital platforms , including in actions prohibited by article (Pricilla Angellina, Boedi Prasetyo , 2025)

Provision in a way specifically for Online gambling laws that can enforced For ensnare the perpetrators act criminal gambling in a way electronic is Constitution Number 1 of 2024 Concerning Change Secondly , under the Law Number 11 of 2008 Concerning Information and Electronics . Existence Constitution This considered appropriate target for perpetrator cyber crime , in particular perpetrator act criminal Online gambling . Because the perpetrators cyber crime Already set up alone . in Article 27 paragraph (2) of the ITE Law reads: as following :

“ Everyone with intentionally and without right distribute and/ or transmit and/ or make can accessible information electronics and/ or document electronics that have load gambling ”. (Rebekah Sepatia , T. Riza Zarzani , Melki Purba , 2022)

Accountability Criminal Penalty for Perpetrators Distribute Gambling Through Electronic Analysis Decision Number : 367/ Pid.Sus /2025/PN. Mdn)

Accountability criminal can interpreted as continued objective blame that exists in the action criminal and in subjective that exists fulfil condition For can convicted Because his actions that . The basis of existence action criminal is principle legality , whereas base from convicted maker action is principle error . Occurrence accountability criminal Because has There is act crime committed by a person . Accountability criminal in essence is a mechanisms established by law criminal For react to violation on agreement reject a action certain . (Alda Satrya , Bastianto Nugroho, Supolo , 2022)

Accountability criminal is a form view in theory law the criminal law used For determine whether somebody the released or convicted . Concept accountability criminal , burden his accountability charged to perpetrator

violation act criminal , thing thus related with base For to drop sanctions criminal . It is said can own characteristic accountability criminal , namely If a an act carried out by someone own characteristic oppose law . However , there are condition special namely the disappearance characteristic responsible to a criminal if There is in self a the a the elements that cause the disappearance ability responsible someone who can We know with reason justification and reasons forgiving . (Signs Rodhiyah , Ifahda Primary Hapsari , Hardian Iskandar , 2022).

A person who does act criminal can accountable maker in matter This means maker fulfil condition For accountable . Considering principle ' no' accountability criminal without error ' , with Thus , the situation inner normal maker or his mind capable to discriminate permissible actions done and not done may done , or in other words able responsible answer , is something that is outside understanding mistakes . Able to take responsibility answer is condition error , while That error is element accountability criminal . So that No is part from error That myself . Therefore that , against subject law human , capable responsible is element accountability criminal . Able to be responsible answer is related issues with a maker's mentality that can accountable in law criminal .

Accountability criminal is people's accountability for act the crime he committed . To be precise , the person is responsible for it . is act the crime he committed . With thus the occurrence accountability criminal Because has There is act crime committed by a person . Act criminal is formulation prohibition For do something , prohibition For No do something , or the prohibition for cause consequence certain . (Chairul Huda, 2006).

Gambling is action oppose conflicting laws with religious norms and are act criminal acts that are legal set up in the book of Law Invite our country that is in a way general set up in article 27 paragraph (2) of the Law Number 1 of 2024 Concerning Change Secondly , under the Law Number 11 of 2008 Concerning Information and Electronics . Provisions criminal about gambling contained in Article 27 paragraph 1 of the ITE Law states that Everyone with intentionally and without right distribute and/ or transmit and/ or make can accessible Information Electronics and/ or Document Electronics that have infringing load decency . Article 27 paragraph 2 of the ITE Law states that Everyone with intentionally and without right distribute and/ or transmit and/ or make can accessible Information Electronics and/ or Document Electronics that have load gambling . As well as Article 27 paragraph 3 of the ITE Law which states that Everyone with intentionally , and without right distribute and/ or transmit and/ or make can

accessible Information Electronics and/ or Document Electronics that have load insults and/ or pollution Name well and Article 27 paragraph 4 of the ITE Law which states that Everyone with intentionally and without right distribute and/ or transmit and/ or make can accessible Information Electronics and/ or Document Electronics that have load extortion and threats . (Ribka Sepatia , T. Riza Zarzani , Melki Purba , 2022)

Accountability criminal for perpetrator distribute load gambling in a way electronic based on decision Number : 367/ Pid.Sus /2025/PN. Mdn , is perpetrator named M. Rizal Nasution alias Rizal, which was carried out on Wednesday , September 25, 2024 around at 20.00, WIB , located in a house on Jalan Pengadilan Tengah, Aur Village , Medan Maimun District , Medan City, North Sumatra Province . The panel of judges has to drop decision on base accountability for perpetrators , considerations taken panel of judges based on the facts revealed at the trial choose direct indictment First as set up in Article 27 paragraph (2) in conjunction with Article 45 paragraph (3) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronics , the elements of which is as following :

1. Element Each person

The panel of judges considered that which is meant with “ Everyone ” in particular legal is refer to people as subject the law that has been submitted to advance trial based on a letter valid charges and the person capable responsible in a way criminal and defendant has submitted to the fore trial based on letter indictment No. Reg. Perk: Pdm – 06/Rp.9/Eku.2/01/2025 dated March 3, 2025. After Assembly inspect identity The defendant has real that his identity is The same with the identity contained in letter indictment Public Prosecutor . Assembly pay attention to the formal letter indictment prosecutor prosecutor general , then has real fulfil terms and conditions the legality a letter indictment as regulated in Article 143 of the Criminal Procedure Code. During trial ongoing , no found existence reasons as regulated in Article 44 of the Criminal Code on oneself The defendant , so that Because That according to Assembly that Defendant capable responsible in a way criminal on action the crime he committed . After letter indictment read in advance the trial , he Defendant has justify to the things that are accused said . Then The Panel of Judges is of the opinion that which is meant with Whomever in indictment The Public Prosecutor nothing else is He Defendant named , M. Rizal Nasution alias Rizal, so that Because That element everyone in indictment This the has fulfilled in oneself The defendant .

2. Element With intentionally and without right Distribute , transmit and or

make can accessible information electronics and or document electronics that have load gambling

Based on the facts the law found in court that on Wednesday , September 25, 2024 there is get information that existence online gambling that occurred on Jalan Pengadilan Tengah Kel. Aur District . Medan Maimun City, Medan Province, North Sumatra, then witness Muhammad Hamdan together with witness Togu Effendy Pakpahan , witness Ahmad Irfan and witness Billi Josua Siregar (as member The Criminal Investigation Directorate of the North Sumatra Regional Police) carried out monitoring and investigation to location and approximately at 20.00 WIB the witnesses see Defendant and M. Alamsyah als Ane Kecik and M. Juanda als Juanda (each performed prosecution separate) in suspicious movements after those are the witnesses come closer them . At the time the witnesses come closer The defendant , M. Alamsyah als Ane Kecik and M. Juanda als Juanda (each performed prosecution separately) the witnesses do inspection and search Found 1 (one) unit of Oppo A5s brand cellphone in color black , 1 (one) unit Redmi 9A cellphone color black , 1 (one) unit Oppo Reno 5G type cellphone , color black , 1 (one) Infinix cellphone unit smart type 6 colors blue , 1 (one) unit Redmi cellphone type A2 color black and 1 (one) unit of Vivo cellphone type Y17s color purple .

Based on description and considerations the on so The Panel of Judges is of the opinion that element with intentionally and without right distribute , transmit and or make can accessible information electronics and or document electronics that have load gambling so that element the has fulfilled . Therefore all element from Article 27 paragraph (2) in conjunction with Article 45 paragraph (3) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronic has fulfilled , then Defendant must be stated has proven in a way valid and convincing do act criminal as charged in indictment alternative first . Next , in trial The Panel of Judges did not find things that can to abolish accountability criminal , good as reason justifier and or reason forgiving , then Defendant must be accountable his actions . Therefore , the perpetrator capable responsible answer , then must stated guilty and sentenced appropriate punishment .

Based on fact law to information witnesses and goods the existing evidence , the Panel of Judges has consider and drop decision as form accountability criminal on his actions , where method Defendant do gambling That with method Defendant with use his connected cellphone with internet network then register to the online gambling site : "11BOLA" with the link: <https://11bolautama.net/> and after register , then Defendant has username (id):

kadal41 and password: jpmampus20 with transaction payment use DANA account : 082162759293 owned by The Defendant . Next Defendant provide mobile phones for rent to player For play on site online gambling which the Defendant provide 5 (five) gaming mobile phone units online gambling and 2 (two) mobile phones for transact namely deposit with how to top up DANA so you can play online gambling . How to play online gambling is with enter to the site Then Entering username and password is done registered The defendant (username (id): kadal41 and password: jpmampus20), then player stay Clicking code the so that Automatic online gambling site : "11BOLA" opens and then player can select one of the menus in game online gambling . Players will make a deposit with use DANA account : 082162759293 owned by Defendant with a minimum deposit of Rp. 10,000.00 (ten thousand rupiah) and if player win so player can request Defendant For do withdrawal of proceeds victory on site online gambling . Players can choose a number of type game online gambling that exists on site online gambling "11BOLA" namely including Slots, Sportsbook, Casino, Lottery, Poker, which games are in the form of match images in boxes , and columns checkered the illustrated crown , diamond, grapes , shield , sword , lion , letters , numbers and others . So the act perpetrator has fulfil element as set up Article 27 paragraph (2) in conjunction with Article 45 paragraph (3) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronics and Law Number 8 of 1981 concerning Criminal Procedure Law as well as regulation legislation other with love namely : 1. Declare Defendant M. Rizal Nasution alias Rizal was proven guilty in a way valid and convincing guilty do act criminal " with intentionally and without right Distribute gambling in a way electronics " as in indictment First . 2. Dropping criminal to The defendant M. Rizal Nasution alias Rizal above because That with criminal prison for 3 (three) years , and fine amounting to Rp. 25,000,000.00 (twenty five million rupiah), with provision if fine the No paid replaced with criminal confinement for 4 (four) months . 3. Determine the period of arrest and detention that has been carried out carried out by the Defendant reduced all in all from the penalty imposed . 4. Ordering Defendant still detained . 5. Determine goods proof in the form of : 1 (one) unit of Oppo A5s brand cellphone in color black , 1 (one) unit Redmi 9A cellphone color black ., (one) unit Oppo Reno 5G type cellphone , color black , 1 (one) Infinix cellphone unit smart type 6 colors blue , 1 (one) unit Redmi cellphone type A2 color black , 1 (one) unit Vivo cellphone type Y17s color purple . Seized For destroyed .6. Charge to Defendant For pay cost case an amount of Rp. 5,000.00

(five thousand rupiah).

Based on decision The panel of judges has in accordance with element offense in Article 27 paragraph (2) in conjunction with Article 45 paragraph (3) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronics , containing element subjective and also element objective . Intentionally and without right is element subjective that appears Because existence intention and deliberateness (opzettelijke) of perpetrator For do act criminal in matter This gambling via the internet. Likewise with element without right It means is perpetrator do acts prohibited by law . Temporary That element objective from the above provisions is distribute and/ or transmit and/ or make can accessible information electronics and/ or document electronics that have load gambling . Gambling is meant here is action based on profit the profit made through system electronics . Activities access means do interaction with system standing electronics Alone or in network . So that the punishment imposed for perpetrator Already appropriate and provide a sense of justice on action the perpetrator who distributes load gambling through electronics .

4. Conclusion

Based on explanation above , then writer can interesting conclusion as following :

1. Arrangement offense load gambling based on regulation legislation in Indonesia , namely load gambling has been in the Criminal Code and Law Law No. 7 of 1974 concerning Orderliness Gambling , if existence violation offense gambling usual , as set up Article 303 paragraph (3) of the Criminal Code states " everyone games that are based on hope for win in general depends to hit or miss only and also hope That So increase big Because intelligence and habits players " and in conjunction with Law No. 7 of 1974 concerning order gambling . In addition , if action gambling done online or with electronic so regulated in Article 27 paragraph (2) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronic
2. Accountability criminal for perpetrator distribute gambling through Electronic based on analysis decision number : 367/ Pid.Sus /2025/PN. Mdn) namely accountability criminal has fulfil elements , which are the perpetrators proven without right distribute , transmit and or make can accessible information electronics and or document electronics that have load gambling so that element the has fulfilled and has been dropped punishment criminal in accordance Article 27 paragraph (2) in conjunction with Article 45 paragraph (3) of the Law Republic of Indonesia Number 1 of 2024 Concerning Change Secondly , under the Law

Republic of Indonesia Number 11 of 2008 Concerning Information and Transactions Electronic has fulfilled , and stated has proven in a way valid and convincing do act criminal gambling .
